The First Ladies' Memorial Rose Garden

The First Ladies' Memorial Rose Garden, at the Oklahoma Governor's Mansion, was established to honor GFWC-OK Presidents and Oklahoma First Ladies. Since its dedication on April 19, 1932 it has remained an ongoing project of GFWC-OK. The rose bushes are purchased with donations from GFWC-OK clubs and GFWC-OK Presidents and First Ladies' names are listed on the marker at the entrance to the Garden.
